

5K Race/1 Mile Walk

Fitness has many faces...including yours.

On **Sunday, October 4, 2009**, individuals of all ages and abilities will come together for a 5K Race/1 Mile Walk. This event celebrates each person's ability to be healthy--regardless of mental, physical, or intellectual challenges. All proceeds from this family-friendly event will support Fit Together, a unique wellness center where people with emotional, cognitive, and physical disabilities transform their lives through exercise and good nutrition.

Last year more than 200 people participated in this event, which was covered by Channel 22 and the Daily Hampshire Gazette.
